Camp Oloshaiki, Maasai Mara

Overlooking the Posee plains of the Maasai Mara National Reserve, CAMP OLOSHAIKI is nestled in the lush riverine woodlands of the Talek River straddling its' bank under a leafy canopy of indigenous Fig and Acacia trees that attract a large variety of birdlife all day long.

The camp has spacious tented pavillions designed for ultimate comfort and privacy.

Each tent has its' own verandah and is luxuriously furnished with handcrafted four poster beds, one king size and the other queen size. A third single bed can be added without compromising on space.

The stone-wall ensuite bathrooms have a large hot and cold water shower, flush toilets and a large wardrobe in the dressing area.

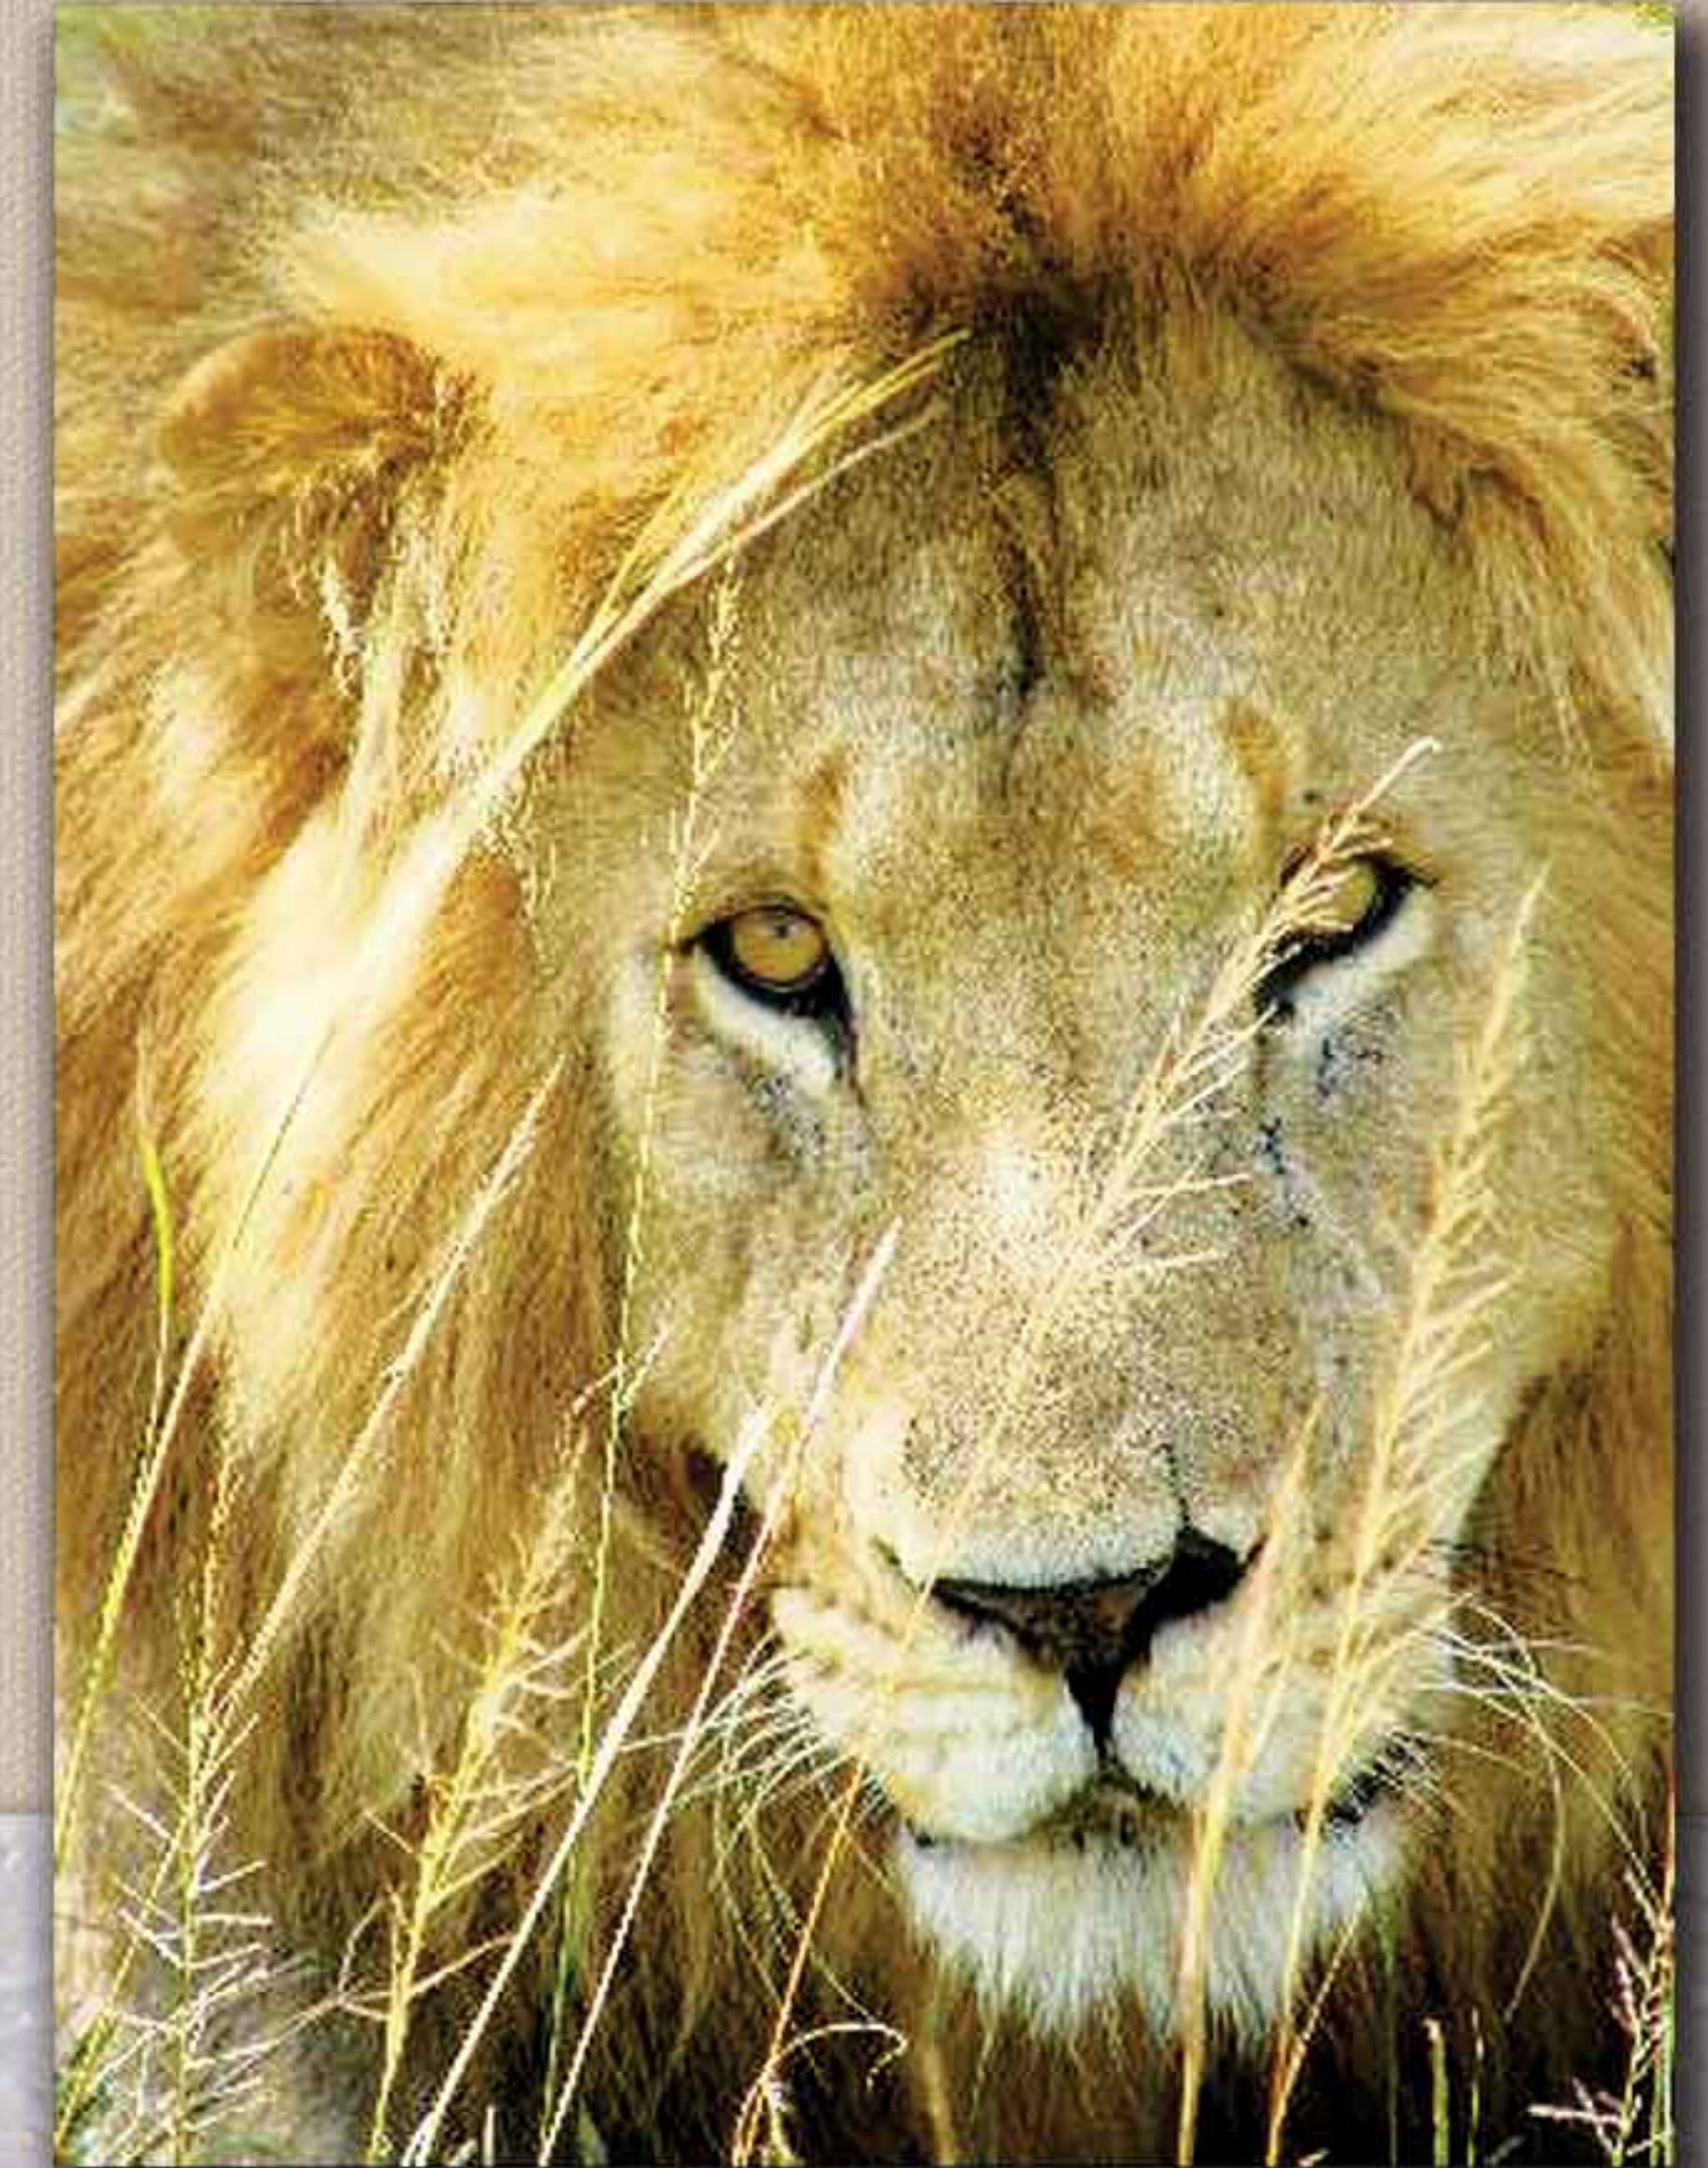

Guest areas include a cosy lounge with fire-place, a well stocked bar and an elegantly furnished Dining Room.

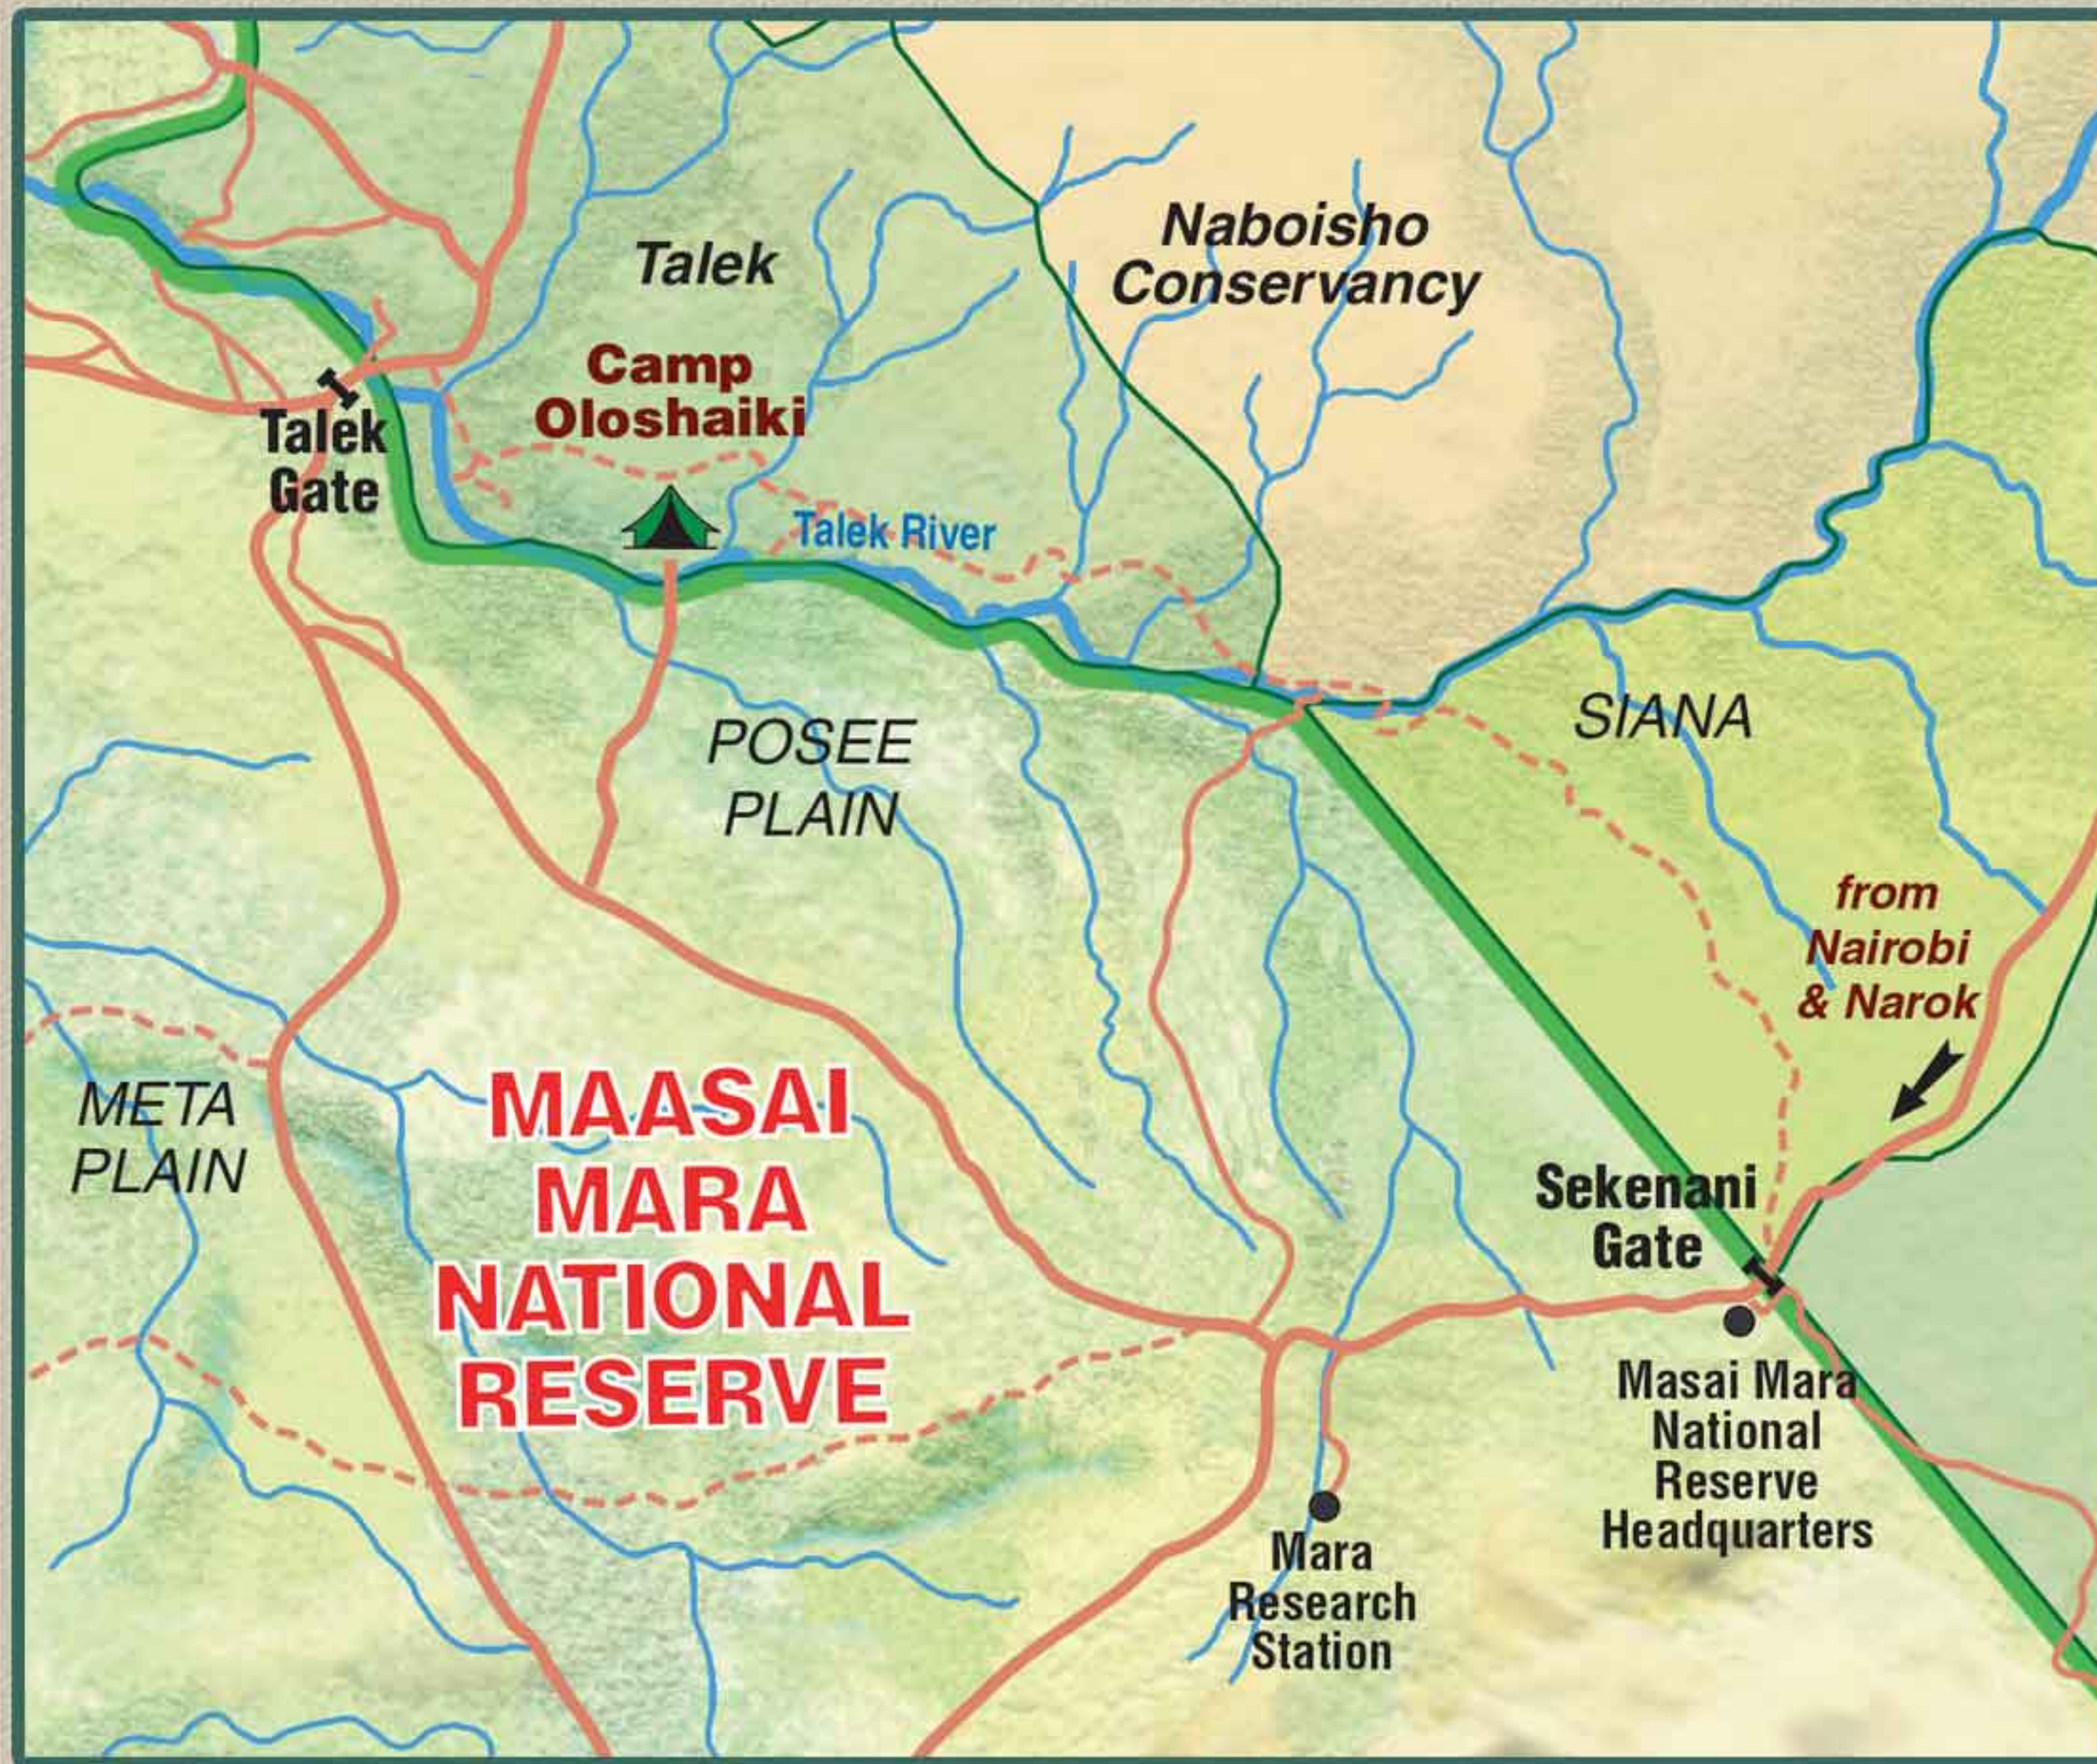

The dining areas can be either inside or outside for sumptuous al-fresco meals made from fresh local produce. Meals are a delicious blend of Continental and African cuisine. On offer is an extensive wine list to compliment these meals,

Considered as one of the seven natural wonders of the world, Maasai Mara National Reserve is best known for its' large concentrations of wildlife and over 400 species of birds.

Annually, in July and August, the Mara hosts hundreds of thousands of Wildebeeste that have migrated from the neighbouring Serengeti plains. It is a spectacle that truly epitomises the African safari and should be experienced at least once in a lifetime.
